## SPECIAL PRICES ON HEDGE PLANTS

This season we have a very fine stock of plants for hedging and offer you plants of finest quality at very low prices.

**Green Leaf Japanese Barberry**—Very hardy and where a low growing hedge is wanted this one offers maximum protection. Its prickly little thorns keep dogs away. It can be trimmed into formal shape or left to grow natural. Pretty green foliage turning brilliant colors in autumn. Bright red berries persist thru the winter. Will grow to four feet and should be planted 18 inches apart for a low trimmed hedge or 2 feet apart if allowed to grow tall. Our plants are two year old, field grown.

10 plants .50c, 25 for \$1.00, 1.85 per 50 or 100 plants \$3.00

**California Privet**—Compact growing plant with dark green glossy leaves that remain almost all winter. This fine plant is perfectly hardy thru southern Ohio to Philadelphia and is probably planted more than any other variety. Can be trimmed to any desired shape and soon makes a thick compact hedge. We offer fine well rooted two year plants. Plant 10 to 12 inches apart.

10 plants .50, 25 plants \$1.00, 50 plants \$1.85, 100 plants \$3.00

**Amor Privet**—Very similar to the above hedge, leaves are lighter green and the plants are perfectly hardy making the finest hedge plant for the north where the winter temperature goes below zero. Can be trimmed to any desired shape and soon makes a fine hedge. Plant 10 to 12 inches apart.

10 plants .65, 25 plants \$1.25, 50 plants \$2.25, 100 plants \$4.00

**Lodense Privet**—Here is the finest low growing hardy hedge for the north. Perfectly hardy and grows to 18 to 24 inches tall and with a little trimming can be kept to 10 or 12 inches. Very compact and fine for edging rose beds or other beds and drives. Dark glossy green foliage and don't forget it is really dense growing. We offer fine two year old plants.

10 plants .75, 25 plants \$1.75, 50 plants \$2.75, 100 plants \$5.25

**Spirea Van Heutti**—Where a tall screen hedge is wanted, Spirea makes a fine plant. Masses of white bloom in May and nice green foliage all summer thru. We offer a fine two year plant 12 to 18 inches tall.

10 plants .85, 25 plants \$1.50, 50 plants \$2.75, 100 plants \$5.25

**Bush Honeysuckle—Tartarian**—Perfectly hardy, tall and thick growing and make a fine tall hedge for screen purposes. Pink flowers in May followed by red berries that are relished by the birds, especially Robins, Thrushes and Catbirds. We offer fine two year old plants.

10 plants 1.00, 25 for 2.25, 50 plants \$4.00, 100 for \$7.00

**Cydonia Japonica or Japanese Fl. Quince**—These plants make a beautiful show of color in late May with their bright red and pink flowers which bloom in great profusion. The foliage is glossy dark green. Perfectly hardy. Beautiful hedge for border and background.

10 nice plants, light grade 12 to 15 inches tall \$1.00

**Hale Haven**—New variety of finest quality. Ripens September 5th. Hardy and very fine color.

**South Haven**—Flesh yellow, juicy and delicious. Large and fine color.

### WHY NOT PLANT SOME QUINCE BUSHES?

They really make a large shrub and the large fragrant pink blossoms are beautiful in the spring. These trees are very hardy and soon come into bearing. Large sprightly flavored, fragrant quinces are easy to grow and very desirable in preserves, marmalades, quince honey, etc.

Fine three year old tree 3 to 4 feet tall, 79c each; 3 for \$1.99; 6 trees for \$3.89, prepaid.

We have two varieties—Orange and Rea's Mammouth. Both are fine flavored and excellent kinds. Plant eight feet apart.

### DO YOU LIKE BARTLETT PEARS?

Who don't? Or maybe you would like some of the rich Dutchess to eat later. You can have both of them growing and bearing on your lot with our dwarf trees.

Bartlett for September use and Dutchess for October. These can be planted twelve feet apart.

These trees have been dwarfed only in size of growth and will bear quantities of rich, full-flavored pears without taking up a lot of room. We offer fine thrifty three year old trees at

79c each; 3 for \$1.99; or 6 for \$3.99, prepaid.

We have fine cherry trees in Montmorency, Early Richmond and the sweet black cherries in fine three-year-old trees 79c each, 3 for \$1.99; 6 for \$3.89, prepaid.

# LIST OF OUTSTANDING FINE SHRUBS

Here are some unusually fine varieties that are hardy and very much worth having. The plants we offer have all been transplanted in the nursery row and have well developed root system and tops. They are fine sturdy plants and are well worth the price we ask.

All plants listed are shipped PREPAID

## FORSYTHIA SPECTABILIS

This new fine variety of forsythia or golden bell is very showy with its bright yellow flowers in early spring before the leaves appear. Fine dark green foliage all thru the summer. Grows anywhere.

.60 each, 3 for \$1.50, 6 for \$2.75 for fine plants

## JAPAN FLOWERING QUINCE

Cydonia or Fire Bush. Very pretty shrubs with glossy green foliage. The flowers appear in June and range from pink to fiery red. Very dependable and pretty.

.60 each, 3 for \$1.50, 6 for \$2.75

## PINK FLOWERING ALMOND

A rather dwarf bush with good foliage. Blooms in early spring before leaves appear with beautiful double pink flowers all along the branches. Early and showy, it is very hardy and desirable. Likes clay soil best.

.60 each, 3 for \$1.50, 6 for \$2.75

## SPIREA ANTHONY WATERER

A dwarf bushy plant about 3 feet tall. Neat foliage and covered with clusters of bright crimson flowers in July and August. Very desirable for low plantings.

.60 each, 3 for \$1.50, 6 for \$2.75

## BUSH HONEYSUCKLE

This fine shrub is the first plant to leaf-out and the last shrub to lose its foliage in the fall. Dense growing to 12 feet with neat dark green foliage. Makes a fine tall hedge or screen plant. Thrives in any location. Pink flowers in clusters in June followed by red berries in July and August. These berries are relished by the birds. Bush honeysuckle is one of the most useful shrubs on the list.

.60 each, 3 for \$1.50, 6 for \$2.75 prepaid

## TAMARIX HIPIDA

So different and unusual and yet perfectly hardy. Grows six feet tall. The foliage is very feathery and plummy and beautiful shade of bluish green. The pink flowers appear in long plums in August and September. You will certainly appreciate this plant as it thrives in most any location. Will bloom first year.

.60 each, 3 for \$1.50, 6 for \$2.75

## SNOWBALL

An old fashioned shrub, tall growing and hardy. Bears immense clusters of snow white balls in May and June. Very pretty and desirable.

.60 each, 3 for \$1.50, 6 for \$2.75

## FOUR FINE SHRUBS WITH COLORED FOLIAGE ALL SUMMER THRU

### GOLDEN LEAF SPIREA

Grows 5 to 6 feet tall and the foliage is neat and beautiful golden yellow all summer thru. White flowers in clusters in June. The seed pods follow later and are brown-red. These make a very showy combination with the golden foliage. You will like them. Strong bushy plants 2 to 3 feet tall.

.60 each, 3 for \$1.50, 6 for \$2.75

### SILVER LEAF BUFFALO BERRY

Neat and compact growing shrub with very pretty foliage of silver color all summer. Pretty berries in autumn. A fine shrub for contrasting color. Fine shrubs 2 feet tall.

.60 each, 3 for \$1.50, 6 for \$2.75

### RED LEAF BARBERRY

Fine compact growing shrubs with dense dark red foliage all summer thru. Does best in full sunshine. Very hardy and the fine colored foliage is very showy all summer thru. Fine bushy plants 18 inches tall.

.60 each, 3 for \$1.50, 6 for \$2.75

### WHITE LEAF CORNUS

This shrub does best in the shade and the striking white foliage is very outstanding. This is a grafted shrub and bears no blossom or fruit. However the foliage is very pretty and you will like the shrub. Nice plants 2 feet tall.

.60 each, 3 for \$1.50, 6 for \$2.75

12 of any of the above plants your choice for \$4.95 prepaid to your door.

## HYDRANGEA P. G.

This fine shrub blooms in late August with long pine-apple-shaped flowers. Color is creamy white at first and then turn pink in about 10 days. The large showy blooms remain on the shrub for weeks. Very desirable and will bloom the first year. Strong plants .60 each, 3 for \$1.50, 6 for \$2.75 prepaid

## BEAUTY BUSH

A bushy shrub growing five to six feet tall. Very pretty foliage and does best in poor soil. The pink bloom appears in great abundance in June and makes a very pleasing sight. Hardy and dependable.

.60 each, 3 for \$1.50, 6 for \$2.75

## KOREAN SPIREA

A very early blooming variety with large white clusters. Different than the common Van Houtti and much earlier. Fine green foliage thru the summer. A fine early bloomer.

.60 each, 3 for \$1.50, 6 for \$2.75

## HIGH BUSH CRANBERRY

A fine tall shrub, growing to eight feet. A compact neat shrub with very pretty foliage. Beautiful autumn colors. Creamy white flowers in June and large clusters of brilliant red berries all thru the autumn months. Very desirable.

.60 each, 3 for \$1.50, 6 for \$2.75

## SCOTCH BROOM

Here we have an entirely different shrub that will create an interest where ever you see it. Bright green branches in broom shaped arrangement with very small leaves. Bright yellow flowers in early spring. Grows best in clay soil. Grows about three feet tall. You will want some of these in your border.

.60 each, 3 for \$1.50, 6 for \$2.75

## RHAMNUS CHADWICKI

A fine shrub originated by Prof. Chadwick of Ohio State University. A fine compact growing shrub with glossy green foliage. The bright red berries in autumn with the green foliage make a very pleasing sight. Very hard and desirable. Thrives in any location.

.60 each, 3 for \$1.50, 6 for \$2.75

## DOUBLE FLOWERING MOCK ORANGE

Philadelphus Virginialis—A very fine shrub with dark green foliage. Grows about 6 ft. The beautiful waxy white double flowers appear in June and early July. Very fragrant. One of the outstanding shrubs.

.60 each, 3 for \$1.50, 6 for \$2.75

We will supply any of the above shrubs in assortment of your own choice 12 for \$4.95 or 24 or more at \$4.40 each with all shipping charges prepaid to your nearest station. We guarantee the quality of the shrubs will please you on arrival.
